WARRANTY FOR VASARI PLASTER, STUCCO AND LIME WASH

Vasari LLC expressly warrants its plaster materials to be fit for the ordinary purpose for which they are intended for a period of at least 20 years from date of installation when applied in accordance with the current specification sheets. Plaster should last as long as the substrate lasts including primer, sheetrock, cement board, etc. Shelf life of Vasari LLC 'wet mix' plaster (or lime wash) in a properly stored container is at least 1 year from purchase date. Regenerative additives are available from the company. Vasari LLC 'Dry mix' plaster products' shelf is at least 20 years from purchase date. However, no such warranty stated herein shall be effective until and unless the materials subject to this warranty have been paid for in full.

Vasari LLC liability under this warranty is limited to the replacement of products shown to be defective during the warranty period. Vasari LLC reserves the right to require proof of purchase and to inspect installations prior to resolving claim made under this warranty. No other charges or expenses will be allowed or borne by Vasari LLC.

Further, this warranty is void if the Vasari LLC materials are intermixed with other additives, chemicals, sealers or materials not specifically required by Vasari LLC specifications or if Vasari LLC plaster finish is applied to any other materials or substrates other than recommended by Vasari LLC.

No warranty is made for damage caused in whole or in part by wear and tear, accidental damage, impact damage or acts of God or natural phenomenon, such as but not limited to falling objects, fire, earthquake, floods, pests, chemical fumes in the atmosphere, nor architecture, engineering, defective or improper workmanship by the applicator, aesthetics, nor other damage or injury not solely

and directly caused by defects in Vasari LLC materials as covered under this warranty.

This constitutes the entire warranty agreement and Vasari LLC makes no other warranties expressed or implied with respect to the materials except as expressly stated herein.

Vasari LLC will take responsibility of all products damaged by freezing during transport. Vasari LLC will not take responsibility for 'wet mix' plaster materials freezing and getting damaged if left at doorstep/outside by transporter during freezing weather.

Store all products indoors 50-80 degrees Fahrenheit. Keep layer of water on top of wet mixed plaster of. Do not let moisture permeate dry mixes. Do not freeze.

Returns may be made for store credit or refund within 30 days of purchase. No returns on tinted plaster. Items purchased in damaged or non-functioning condition will be replaced with the same item or refund. All mail order return transportation costs will be paid by Vasari LLC. Tinting of plaster will be within a 5% margin of error of the average color chosen by customer. Obvious tinting errors will be rectified by Vasari LLC with proof of error and purchase.
