

Here's every perfect color you'll ever need...

Pick the color you want from the drop-down menu on our site when placing orders. Digital representation might be different from the real thing on your screen, but they're pretty close. Contact us if you need help deciding.

Depending on how the material is applied, variation will occur. Colors shown are the average tone of burnished or non-burnished finishes.

We can custom match almost any color from Benjamin Moore, Sherwin Williams, Behr, Valspar, Pittsburgh, Kelly-Moore, Glidden, Frazee, Farrow & Ball, Merlex, La Habra and lots more.

All Vasari tints contain zero volatile organic compounds (VOCs) and have no or minimal odors. We use Colortrend by Chromaflo water based colorants tint everything. All colors are categorized into golds, browns, grays, yellows, reds, greens, blues and purples. Dark colors with *'s cost a little more. Here's a [link](#) if you want to know more about colors or if you want to mix your own. Let us know if you need help. Enjoy!
